Repairs of Roads

General and Revenue Secretariat | File No Hily-335 of 1940 | [App F III-2

Serial No

1

Letter No C 3-240-89/40 Dy 29/4/41 from the C-in-C, M & T, requesting sanction to meet an expenditure of Rs. 19,000/- incurred over the repair of certain roads by reappropriating a sum of Rs 8000/- from certain sanctioned grants of this year budget & the balance of Rs 11,000/- from the next year's grant.

When the C in C asked for an addl grant of Rs 19,000/- for repairs to certain roads last year, he was told in G O No. of 2007-9/Hy.-SS-40-2 Dy 6/9/40 that no such grant could be sanctioned for this purpose & that whatever amount was found necessary for really urgent works under this head might be met from by suitable readjustments out of the allotments for minor works & repairs

(2) Inspite of getting all urgent works done & meeting the cost as indicated in the above G.O, the C in C. seems to have taken up all the proposed works & incurred expenditure to the full extent of Rs. 19,000/-, anticipating some savings in the amount allotted for construction of State Offices & Judicial Offices quarters in the 3rd H.T. Cog Hyd. He now states that this anticipation has not been fulfilled & that the

NOTE—Contn Sheet

Repairs to Roads

Serial No

required amount of Rs 19,000/= may be found out as follows --

(1) Rs 8000/= from the appropriation from sanctioned grants as detailed in the margin of the P W D

(2) Rs 11,000/= from the sanctioned grants of the next year

We request sanction to the above proposal. The CC adds that necessary provision has been made for this in the next year's budget

(2) As these works are stated to have already been taken up, there seems to be no alternative open but to sanction the proposal but C C, the financial Secy being also consulted if the proposal is accepted, the provision of a sum of Rs 11,000/= under this head in the next year's Budget becomes imperative

Submitted for orders

2/5/41 2/5

(1) See the circumstances the proposals of the CC may be sanctioned with a remark that previous sanction should have been obtained Recovery Rs 11000/- may be provided in the next year's budget under this account

(5) It was thoroughly unplan to have taken up such repairs in anticipation of sanction, which have not occurred & that in the face of the express direction of the Govt that no additional grant can be sanctioned & that whatever amount is found necessary for really urgent works, may be found by readjustment of the sanctioned allotments. A charge to the extent of Rs 11000 is now shown in the next year's budget & of the usual provision of Rs 25000 is made for repairs, only a sum of Rs 14000 will be actually available for expenditure on such works & this may not be found adequate The grant for works next year may have to be increased to the extent of the excess expenditure already incurred.

list for cf.

1) As the finances of the T Board are drawn from Govt grants, the Board request that the Military Deptt may be directed to pay the value of the land to them. The Military Section may also be consulted

Submitted for orders

2) The Chairman pleads that because 1/4 the receipts of the Trust Board are drawn from Govt Grants, the Military Dept may be made to pay for the land in the Military Dept By the same token, Govt need not perhaps pay for their own land and duplicate their help to the Board In the last instance, it would mean an avoidable inflation of Trust Board Revenue

3) Subject for orders cross reference to Para 2 of notes above

3) The land in question which is 10,100 sq yds in area is included under trial no 2 3 in notn no L 8481/ml 57-32-40 dated 10/6/35 R

It has been reserved as an open space under the provisions of section 116 of the Municipal Act of 33 The Chairman, City Improvement Trust Board, Mysore states that all such open areas not vesting either in the Municipality or in any private person

Land for Construction of Military Officers' Quarters

General and Revenue Secretariat | File No 2M857/Meerut 5785/11 of 194 | [App F III—2

Serial No

have been allowing deemed to have been vested in the Trust Board

31) It is stated that 5898 sq yds out of 10,100 sq yds in the above area have been made over to the Military Department and a sum of Rs 11,797 at Rs 2 per sq yd is claimed. The chairman wants that the Govt have power to see the improvement set to resume any land vested in the Board for purposes of Govt but pleads that the Trust Board may be reimbursed to that extent, as it has to meet the expenses for laying down roads etc on the area

32) In view of the slender resources of the Trust Board, the request of the chairman appears reasonable. The land may be deemed to belong to the Trust Board. The Military Deptt may, if approved, be requested to meet the cost of leveling improvements including drainage to the extent of Rs 10,000/-

C F No 46] **GOVERNMENT OF MYSORE**

No 1959-C3-240-89/40 Encls E1 OFFICE OF the Chief Commandant, Mysore State Troops, Bangalore.

Date 11th February 1944.

To

The General Secretary
to the Government of Mysore,
Bangalore.

Sir

GENERAL SECTT 11 FEB 1944

Subject Payment of acquisition charges of site on which the state officers and Indian officers quarters are constructed at the 3rd Bn. M.I. Mysore.

With reference to your letter No.A F.3764/Mily.335-40 dated the 7th February 1944 on the above subject, I have the honour to invite reference to your letter No.G/2740/Mily.335-40 dated the 7th May 1943 (copy enclosed) stating that certain additional information has been called for from the Chairman, City Improvement Trust Board, Mysore and that the question of waiving the land acquisition charges of the site will be considered on receipt of a reply from the Chairman

As the above question is pending since June 42, I request you to be so good as to obtain early decision of Government in the matter, after consultation with the Chairman as stated in your letter dated the 7th May 1943 referred to above

I have the honour to be,
Sir,
Your most obedient servant,

Col,
Chief Commandant,
Mysore State Troops.

The CC is referring to an interim reply from this office of 7/5/43 although since then has been further correspondence in the matter of which his attention will be invited to. Further correspondence in the matter & he will be told that if is not

3147 W3556

necessary considered necessary to pursue
the matter unless the Chairman, City
Improvement Trust Bd, Nagpur, should
himself write again

84) Subject for orders with ref to the
Minister's minute dt 21/1/44 (pl see reverse
of Flag A)

85) Please put up draft accordingly.

86) Draft letter to C C is going for consultation

Gen Secy)

Minister for Com

24 FEB 1944
1119

A F 4106 to 28/2/44

I to the C C M

Enquires whether any further action
is necessary in the light of
the opinion expressed in his letter
dated 10/11/43

Letter No D2-C 361/42-43 dated 29/3/44 from the Chairman City Improvement Trust Bd Mysore Requesting, in the Circumstances explained, for a grant of Rs 13000 to Carry out the Work of drainage in the Colony of the 3rd Mysore Infantry.

90) The Chairman City Improvement Trust Board Mysore, was informed in this Office letter No G5809 dt 1/12/43, that in view of the proposed move of the 3rd Bn to a new site near Mysore Horse, there is no necessity for incurring the extra Expenditure

91) The Chairman, now states that the Minister, to L S G was pleased to inspect the Spot in May 44 and was of opinion that the Work of drainage was necessary in the interest of not only of Troops and Officers of the Infantry but also of in the interest of Dwelling Houses nearby, and accordingly requests that a grant of Rs 13000 may be obtained from Govt towards the Cost of the Drainage Scheme

92) As the proposed Work is in the interest of the locality in general; and the required Grant of Rs 13000 is also proposed to be sanctioned by Govt - Govt feels certainly perhaps from the Military Budget -. This Question May perhaps be pursued with the L S G Branch Sec for orders

93) [illegible]

Drainage Scheme — Calling for the Income Tax Refunds - Income

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No. 4-16714-30

Dated, Bangalore, 28th May, 1941.

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore
General Departm

To

The Chief Commandant,
Mysore State Troops,
Bangalore.

Sir,

Subject - Repairs of Roads

With reference to your letter No C 3-240-39/40 dated 29th April 1941 on the above noted subject, I am directed to observe that it was thoroughly irregular to have taken up such repairs in anticipation of savings, which have not occurred, and that in the face of the specific direction by the Government that no additional grant could be sanctioned and that whatever amount is found necessary for really urgent works, may be found by readjustment of the sanctioned allotments A charge to the extent of Rs 11,000 is now proposed to be thrown on the next year's budget and if the usual provision of Rs 25,000 is made for repairs only a sum of Rs 14,000 will be actually available for expenditure on such works and this may not be found adequate I am, therefore, to state that if liability has been incurred, its discharge may not be deferred till next year, but the payment made this year alone by obtaining an additional grant, if necessary

I have the honour to be,

Sir,

Your most obedient servant,

Secretary to Government
General Department

The General Secretary
to the Government of His Highness
the Maharaja of Mysore, B a n g a l o r e

SIR,

Subject - Repairs of roads

1) With reference to your letter No G 10714/Milly, dated 28th May 1941, I have the honour to state that when I countersigned the estimate for the repair of roads, it was thought that there would be enough saving in the original works, but the Public Works Department were surprisingly quick this year in execution of work, especially the Headquarter Range at Mysore, who have not only utilized all the Rs 28,000/- allotted to them for building 2 State Officers and 3 Indian Officers quarters but have put in for a further sum of Rs 19,200/- to cover cost of site and sanitary and electric fittings I am dealing with this question further down

2) In this connection, I wish to state that the repair to the main road leading to the Mysore Lancers was of extreme urgency ~~In fact, it was not possible~~ The Dewan was keen that this road should be put right as early as possible Hence, I countersigned the estimate for Rs 19,000/- The work actually turned out this year costs only Rs 13,000/- of which the Buildings Division, Bangalore, can provide Rs 9,000/- out of savings in other directions as already pointed out by me and I request that an additional grant of Rs 4,000/- may kindly be made to meet the balance for this year

3) There are two other items of work executed by the Public Works Department which have exceeded the sanctioned estimates

1 Four State Officers Quarters, 1st Mysore Infantry, Bangalore

2 Two State Officers and three/Indian Officers Quarters, Third, Mysore Infantry Company, Mysore

4) The construction of all these buildings has been completed

5) The original estimate for item No 1 amounted to Rs 28,000/- The revised final estimate amounts to R 42,000/-. I enclose a copy of the detailed report received from the Executive Engineer, Buildings Division, Bangalore, explaining the reasons for the increase of Rs 14,000/- The revised estimate has been countersigned by me and returned It may come up to Government for sanction shortly through the Chief Engineer In the meanwhile, as the work has been completed and is therefore a charge on the current year's budget, I request that an additional grant of Rs 14,000/- may kindly be made to cover this sum Otherwise, this amount will be a burden on the next year's estimates which have been considerably curtailed

6) As regards item No 2, viz , 2 State Officers and 3 Indian Officers quarters at Mysore, I am not at all happy about these works The provision for them was for Rs 28,000/- The lowest tender excluding sanitary and electric fittings amounted to Rs 21,665/- Now the final estimate has come to Rs 47,200/- which includes Rs 11,799/- on account of value of sites A detailed report of this case has been made to Government in correspondence ending with my letter No C3-240-89/40-41, dated 14th May 1941 and the Chief Engineer to whose notice I have promptly brought this excess for investigation is, I understand, taking up this question with the Superintending Engineer

7) The excess of Rs 19,200/- is however an unfair charge on next year's budget and if Government are convinced that this excess is unavoidable, I request an additional grant to this ~~effect~~ extent may kindly be made to enable payment for this work during the current year

8) The total amount required is as below -

		R.
1	Repair of roads	4,000
2	Construction of 4 State Officers Quarters in 1st Mysore Infantry, Bangalore	14,000
3	Construction of 2 State Officers and 3 Indian Officers Quarters in 3rd Mysore Infantry Company, Mysore	19,200
	TOTAL	37,200

I have the honour to be,
Sir,
Your most obedient servant,

Col ,
Chief Commandant,
Mysore State Troops

Copy of the report, from the Executive Engineer, Buildings,Division, Bangalore, to the Chief Commandant, Mysore State Troops, Bangalore, to accompany the revised estimate for the construction of four State Officers quarters in the Mysore Infantry, Hebbal, Bangalore

---

An estimate was sanctioned for Rs 28,000/- for the above work, vide Government Order No 3389-91/S, dated 25th March 1940

During execution, it was found that the accommodation provided as per sanctioned estimate was not adequate and as such, some additions and alterations had to be attended to as per the instructions of the Inspecting Officers.

The location of the building was shifted further away from the road to give a greater area in front and also to give privacy by forming a lawn and garden here Also the foundation here had to be taken to hard soil and as such, there is excess in these items amounting to Rs 1,010/- for one building or Rs.4040/- for the four buildings

The general front elevation was also altered to improve the same by provision of parapet walls, chajja alround etc This has resulted in an excess of Rs 870/- for each building or Rs 3,480/- for the four buildings

During the inspection of the Chief Engineer of Mysore in company with the Chief Commandant, Mysore State Troops, it was proposed to add trellis work in front and also to construct new fuel sheds in each block This accounts for an excess of Rs 367/- per quarters or Rs 1,476/- for all the four quarters.

The Chief Commandant during his inspection desired to arrange for the formation of an approach road and also to metal the same Also a general latrine was required for the servants and provision for this also is made in the estimate Due to these two items, the excess will be Rs 1,232/-

Again, due to war conditions, the prices of electrical

sanitary and water supply fittings have gone up high and these account for an excess of Rs 839/- for one building or Rs 3,356/- for the four buildings

Thus the total excess comes to Rs 13,584/- or Rs 14,000/- and these excesses are also explained in detail, in the accompanying comparative statement

Early sanction to the revised estimate of R 42,000/- is requested

Read —

Para 6 of Government Order No G 2007-9/Mily 55-40-2 dated 8/9/40 stating that ~~number of~~ no additional grant for repairs of roads could be sanctioned during the year 1940-41 and directing that whatever amount is found to be necessary for really urgent works may be met by suitable readjustments out of the allotments for minor works and repairs made in the current year's budget

2) Correspondence ending with letter No C 3-240-69/40 dated 10th June 1941 from the Chief Commandant, Mysore State Troops requesting that for meeting the extra expenditure incurred in the execution of the several works detailed in the margin additional grants as noted against each may be sanctioned

1 Repairs of Roads	Rs 4,000/-
2 Construction of 4 State Officers Quarters in 1 Mysore Infantry Bangalore	Rs 14,000/-
3. Construction of 2 State Officers Quarters and 3 Indian Officers Quarters in 3rd, Mysore Infantry Training Company, Mysore	Rs 19,200/-
Total	Rs 37,200/-

ORDER NO G 11400-1

Bangalore, Dated the 28th June 1941

The Chief Commandant states that, as the repair to the main road leading to the Mysore Lancers was of extreme urgency, this work estimated at Rs 19,000/- was taken up in anticipation of savings in certain other directions, which has not proved to be a fact, and that

1 Improvements to State Officers Quarters viz - Quarters at the eastern end of the lines of new buildings	the repairs work actually turned out during this
2 Addition of a kitchen and verandah for Indian Officers quarters in 1st Battalion Mysore Infantry	
3 Savings in the construction of 10 married mens quarters in Mysore Infantry	

year costs Rs 13,000/- of which the Buildings Division, Bangalore can provide Rs 9,000/- only out of savings in other works noted in the margin

He, therefore, requests that an additional grant of Rs 4,000/- may be granted to meet the balance of expenditure incurred during the year In the circumstances explained, Government are pleased to sanction the required additional grant for the repair of roads

2) The Chief Commandant adds that the Public Works Department have also executed the following two works which have exceeded the sanctioned estimates:-

i) Construction of 4 State Officers Quarters in the 1 Mysore Infantry, Bangalore

ii) Construction of 2 State Officers quarters and 3 Indian Officers quarters in the 3rd Mysore Infantry Company, Mysore

The original estimate for item No (i) amounts to Rs 28,000/- and the revised estimate amounts to Rs 42,000/- for reasons explained by the Executive Engineer, Buildings Division, Bangalore As the work has been completed and is a legitimate charge on the current year's budget, the Chief Commandant requests that an additional grant of Rs 14,000/- may be granted to avoid this expenditure becoming a burden on the next year's budget Government are pleased to sanction the additional grant asked for with the observation that this increase of expenditure in the case of the Officers quarters which works up to 50% of the sanctioned estimate should not have been incurred without the permission of Government

3) As regards item No (ii) above viz , construction of 2 State Officers and 3 Indian Officers quarters in the 3rd Mysore Infantry Company, Mysore, the Chief Commandant states that the provision for this work is ~~xxxxx~~ Rs 28,000/-, that the final estimate has come to Rs 47,200/-, including a sum of Rs 11,799/- on account of

on account of the value of sites and that the Chief Engineer, to whose notice this excess expenditure has been brought, is investigating the matter He adds that this excess expenditure of Rs 19,200/- is, however, an unfair charge on next year's budget and that, if Government are convinced that this excess is unavoidable, an additional grant to this extent may be made to enable payment of the bills relating to the work this year alone Government are pleased to direct that this question may be taken up after further reports are received

FROM

COL M D VIGORS, DSO MC,
Chief Commandant,
Mysore State Troops, Bangalore

GENERAL SECRETARY. 18 AUG 1941

To The General Secretary
to the Government of H H the Maharaja of Mysore,
Bangalore

SIR

With reference to para 3 Government Order No G 11400-1/ Mily 335-40-4 dated 28th June 1941, I have the honor to state that from a report submitted by the Assistant Engineer Headquarter Range Mysore the following facts emerge.

1	The cost of site claimed by the City Improvement Trust Board amounts to	Ps 10879/-
2	Excess cost on account of Electric fittings	Ps. 1294/-
3	Sanitary and Water Supply	Ps 3316/-
4	Additional items sanctioned by me not found in the original estimate ~~such as~~	Ps 3600/-
		19089/-

The Civil portion of the work shows a saving of Ps 72/- and the net extra cost involved will therefore be Ps 19017/-

I am prepared to accept these figures, except cost of site and will countersign the estimates when transmitted to me by the Chief Engineer

As regards site, the Assistant Engineer quotes a Govern-
-ment Order No L.8481/~~Mily~~ Rel 57-32-20 dated 10th June 1935 sent to him by the Chairman of the City Improvement Trust Board, Mysore, on the strength of which they claim compensation for the land on which the above quarters are built

I enclose a copy of this Government Order In this order Government merely prohibit erection of any Building on this site and this fact strengthens my contention that it is Government land and that if

if they so desire they can erect on it any Government Buildings at their discretion. The purchase of this land by them from the Trust Board at this heavy cost does not appear to me to be necessary.

I shall be grateful if you will obtain orders of Government waiving the claim by the Chairman of the City Improvement Trust Board.

I have the honor to be,
Sir,
Your most obedient servant,

H Vigne Col

From

B S RAGHAVENDRA RAO, Esq, MA (Hons),
Chairman, City Improvement Trust Board,
MYSORE

GEOY LAW DEPT
JUN 1942
GOVT OF MYSORE

H V Narayana Rao, Esq, B A, LL B,
Secretary to the Government of His Highness
the Maharaja of Mysore, Law Department,
Bangalore

Sir,

Re - The triangular plot of land to the north of the Barr Lines in Mysore City

With reference to your letter No L 1732 dated 29th August 1941 on the subject noted above, I have the honour to state as follows -

2 A total extent of 5,898 4/9 sq yds, of land as detailed on the margin has been given for the construction of quarters for the Officers of the Military Department and a sum of Rs 11,797/- @ Rs 2/- per sq yd has been claimed according to Not:

Land in front of 3rd Battalion & to the north of makkan on Bangalore-Nilgiri Road	215' x 77' =	1840	
2 --do-- additional extent	215' x 10' =	239	
3 Land to the north of 3rd Battalion & to the west of Bangalore-Nilgiri-Road 125' x 300' plus 250'/2 =		3819 4/9	
	Total	5898 4/9	

Rification No L 8481/M1 57-32-20 dated, 10th June 1935 the plot of land to the north of the Barr lines is an area over which the erection of any building is prohibited

3 This open area in question has been deemed to belong to the Trust Board just like other open areas not vesting either in the Municipality or in any private persons which are all along deemed to have been vested in the Trust Board constituted for the Improvement of the City under the Regulation of 1903 ~~Its effect~~ John is in essence borne out in Government Notification No L 8481/M1 57-32-20 dated 10th June 1935 which prohibits the construction of buildings in this area without the specific sanction of Government as this has been taken to mean that the Trust Board too in its ordinary operations should not include this for the extension of the town without specific orders of Government It has been therefore

held by the Board that this land belonged to them

However (Cf the Cochin of Mysore Improvement Act)

4 Under the proviso to Section 24 the Government may always take back any land vesting in the Board required by - Government for its purpose, and in this connection therefore Government could take this back for construction of buildings for the Military Department But it is respectfully submitted to Government that the Trust Board depends on its finances mainly on Government Grants and the receipts it gets from the sale of - lands Further the Board has got to incur expenditure in the - matter of making roads, drainage etc , whenever a new lay-out is made No matter even if it is a Government Department that is laying out an area the Trust Board has to incur subsidiary expenditure in the matter of laying drains, roads etc As a matter of fact the Military Department is already requesting the Trust - Board to make arrangements for the disposal of sewage in this area I enclose herein for the information of Government, a letter from Col Vigors, the Chief Commandant, Mysore State Troops

5 Taking all these points into consideration, I feel that it will go a long way to assist the finances of the Board if the Military authorities are made to pay the amount now claimed by th Board towards the value of this land (5,898 4/9 sq yds) which has been given away for the construction of quarters for the - Officers of the Military Department

6 I may add that if necessary Government may put in a - clause that this amount should be earmarked for the improvement this area including underground drainage

I have the honour to be,
Sir,
Your most obedient servant,

Chairman 28/3

CITY IMPROVEMENT TRUST BOARD, MYSORE

MYSORE, -

Dated 28th March *1942*

Copy of letter No nil dated 24th December 1941 from Col P Vigore, Staff Quarters, Mysore to the President

---

' I would be much obliged if you would draw the attention of your Health Officer to the very insanitary condition of the area in front of and within a few yards of the 3rd P I nd their Officers' quarters

I may say that his attention was drawn to this only a few weeks ago

There is a dwelling with an enclosure

1 This enclosure appears to be a rubbish dump from the condition of the hedge
2 There is a stand pump - the overflow from which is making a swamp which is a breeding place for moscuitos
3 The drainage from neighbouring mohallas is brought into this garden by an open drain, which is not offensive and liable to breedanything

Is there no way you can mitigate this nuisance as the unit has just suffered from a bad outcrop of malaria? Can you not buy the area?

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

PUBLIC WORKS DEPARTMENT

GENERAL SECRETARY. Read — 17 JUNE 1942

GEN SECTT * 17 JU [illegible] GEN MIC GH

Government Order No.G 235-7/Mily 136-41-2, dated 13th October 1941, allotting a grant of Rs.13,292/- for the construction of quarters for officers attached to the Third Mysore Infantry, Mysore

2. Letter No.19153, dated 4th April 1942, from the Chief Engineer of Mysore, forwarding for sanction an estimate for Rs 47,235/- for the above work as per actual execution

---

ORDER No P W. 1027-74 Bangalore, dated 16th June 1942

The work was taken up last year and completed and the building handed over to the Military Department

2. An outlay of Rs.22,109/- has been incurred up to the end of last year and a balance grant of Rs 25,126/- is required to close the work accounts Of this, a sum of Rs.13,292/- is available out of the additional grant of Rs 20,000/- sanctioned for Military works The estimate includes a provision of Rs 11,799/- for the acquisition of lands, the ownership of which is under dispute between the Military Department and the Mysore Municipality The question of payment of the acquisition charges, has therefore to await a decision in the matter If this provision is deleted, the estimate would be reduced to Rs 35,436 and the grant now available would be sufficient to meet it

3 In the circumstances, Government are pleased to sanction the estimate for Rs.35,436/- (Rupees Thirty-five thousand four hundred and thirty six) after deleting the provision for the acquisition of lands, under "31 Army - 11 Military works - Original - Major"

Secretary to Government, Public Works Department

To

1. The Secretary to Government, General Department
2. Chief Engineer of Mysore (with estimate)
3. Comptroller of Mysore.

The Secretary to the Government of His Highness the Maharaja of Mysore, General Department, Bangalore

GENERAL SECRETARY 21 AUG 1942

GEN MIS U UH 21 AUG 1942

Sir,

+H With reference to your letter No G 11346/Mly dated 1st May 1942 and subsequent reminder No G 2101/Mly dated 12th August 1942 requesting - definite information regarding the expenditure that the Trust Board has - to incur on roads and drainage in the colony of the III Mysore Infantry - lines, I have the honour to state that in order to make the area healthy it is necessary to put up (i) underground drainage (ii) acquire the garden lands nearby and (iii) fill up pits and hallas in the area

2 The drainage itself may cost about Rs 8,000/- and the acquisition and other works would easily cost about Rs 5,000/- Therefore at - least Rs 13,000/- would be the expenditure for the Trust Board to incur, if these works are to be undertaken The Chief Commandant also suggests the acquisition of a house nearby which would of course increase the cost

3. I again enclose in this connection a copy of letter No nil dated 24th December 1941 from the Chief Commandant in the matter of improvements required in this area These could be attended to if the cost of land is paid for or a special grant made for the above purpose

I have the honour to be,
Sir,
Your most obedient servant,

GEN. & REV. DEPTT 15 OCT 1943

2189

FROM

SECY. TO GOVT. OF MYSORE

THE CHAIRMAN,
City Improvement Trust Board,
Mysore

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore

Sir,

Remember

Adverting to your letter No G 1081/M1 335-40 dated 28th July 1943 I have the honour to enclose herein an estimate prepared by the Trust Board Engineer for laying main lines for the underground connections and for -- acquisition of certain areas for improvement of the III Mysore Infantry -- Colony The Engineer's estimates came to Rs 30,000/- and it was proposed at that time to limit this to Rs 13,000/- the balance being borne by the Trust Board Since then, however, all the interior underground drainage for the Colony and with a septic tank have already been constructed by the Head Quarter Range So the original estimate needs modification The septic tank constructed by the Head Quarter Range is however located too near the lines being at the place marked 'C' in the enclosed sketch and all this - water goes to the garden nearby which is already a marsh and a fruitful -- breeding place for mosquitoes, flies etc In the interest of the militar stationed here, as much as possible of these garden lands have to be acquire and the whole area necessarily drained off It is therefore proposed to extend the main line beyond the cross road at Kesare and locate a new septi tank at the place marked 'B'

2 Regarding the acquisition of the garden lands and the house opposite the line, the Chief Commandant had written to me and in the matter a reply was sent to him that as there were garden lands they had to be acquir through the Revenue Department It is believed that the matter is separate under the consideration of Government As the cost of this will not be a charge on the Trust Board, the Engineer was requested to limit the estimate given by him only to the portion of the main line which is to be put to - lead off the drainage referred to above and the drainage from Erangere now going in an open drain in the area used as training ground by the III Infantry, to the septic tank In the estimate prepared by the Engineer it

P T O

has been assumed also that the Head Quarter Range will put up all the roads and surface drainage required within the III Infantry and the Trust Board need not have to spend any money on these -- improvements.

3 For the works to be done by the Town (consisting of laying a 7" main over a distance of 3100 feet and for construction of a new service reservoir) the Trust Board Engineer has prepared an estimate for Rs.20,000/- The estimate is enclosed It would perhaps be fair to request Government to give at least half of this amount as a grant in lieu of the cost of the land, viz., Rs.13,000/- already handed over.

4 The military authorities have since occupied other areas also in the Trust Board As separate letter is being addressed to Government in this regard.

I have the honour to be,

Sir,

Your most obedient servant,

By Resolution of
Cantonment Board

His Highness the Maharaja of Mysore,
Law Department, Bangalore

Sir,

With reference to correspondence ending with your letter No G 5805 Ml 335-40 dated 1st December 1943 regarding the underground connections for the Military Quarters in front of III Infantry, Mysore, I have the honour to state that the flow from Erangere and a part of Mandi Mohalla is going along the open channel by the side of Bangalore-Mysore Road and accumulates in the pits by the side of III Infantry Lines On account of this stagnation, Mosquito breeding is very heavy and the health of the colony is very much affected The Commandant, III Infantry Lines has been complaining very seriously of this nuisance The Chief Commandant Col M Vigors wanted that the Municipality should take immediate steps to drain this hab and provide the necessary conveniences (the letter enclosed). According proposals were submitted for constructing a septic tank beyond the cross road on Kesare and for putting up a sub-main 3,1000', long from Erangere Fort Wall up to this proposed septic tank It was proposed to take in sewage from the quarters of the Officers of the III Infantry and from th Infantry Lines into this main The total cost of this works out to Rs 2000 and it was therefore requested that Government may sanction a sum of Rs 1000- towards half the cost of the entire scheme

2. Col M Vigors, Chief Commandant who severely compalained about the nuisance of stagnation of water to the inmates of the III Infantry Lines now has stated that as it is proposed to shift the III Infantry Lines, this work need not be taken up When the Minister for Local Self-Government was here during this month it was explained to him and he was pleased to inspect and was of opinion that the work was necessary in the interest of not only Sepoys and the Officers of the Infantry, but also in the interests of the

Chairman

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat,

No *Dated Bangalore* 11th Aug. 1941.

Immediate.

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore,

Law Department

To

The Chairman,
City Improvement Trust Board,
MYSORE

Sir,

With reference to the correspondence ending with your letter No. A_1C.668/43-44 dated the 17th July 1941 requesting for a grant of Rs.13,000/- to carry out the drainage works in the colony of the Third Mysore Infantry in Mysore City, I am directed to state that this amount should have been met from out of the enhanced grant of Rs.2 25 lakhs sanctioned to the Trust Board during the year 1943-44. I am to state that, in view of the fact that there is an actual opening balance of Rs.1,32,045 at the credit of the Board as against an anticipated balance of Rs.5,900/- on 1st July 1941, the amount viz., Rs.13,000/- required in this behalf may be debited to the above amount during the year 1941-45. Provision will accordingly be made for this sum while sanctioning the Budget estimates of the Trust Board for the year 1941-45

I have the honour to be,
Sir,
Your most obedient servant,

Sd C Narayanaswami Naidu,

Secretary to Government,
Law Department

Sir,

With ref. to correspondence ending with your letter No C3-240-89/40 Dt 18/8/41 & your reminder No 609-C3-240-89/40 Dt 19/3/42 re waiving of the payment of the cost of the land on which the State Offices & Indian Officers Quarters at 3rd Mysore Infantry, Mysore, are constructed, I am directed to state

that the land in question
belongs to the Poona City
Improvement Trust Board
& that, although there is
provision for Govt to take
this back for their use,
it is considered that in
view of the sizable resources
of the Trust Board the cost
of sanitary improvements
including drainage to the
extent of Rs 10,000/- (in words)
borne by the Municipality will
may be paid I am
therefore to request you
to state what will be
the exact additional grant
required now to meet the
expenditure incurred on
the construction of the Officers
Quarters at Poona

I have &c
